As a non-profit organisation, we would also appreciate your financial contribution. Here are some ways you can be involved in WorldTeach.

Seminars

Discipleship and living the abundant life is an everyday affair. Were there seminars that spoke to you as you read this catalogue? WorldTeach regularly hold seminars at various churches around Malaysia. Not all of these seminars are open to attendees outside of the host church though. Nevertheless, if you are keenly interested in a particular course, do email us at admin@worldteach.com.my and tell us. When there is an upcoming open seminar, we will then contact you. Or why not go one step further, spare yourself the wait and bless other brothers and sisters? With the blessing of your pastor, you can organise a seminar in your church too! If your pastor is agreeable, call us at **03 7727 8591** and we will work alongside you on organising the seminar or seminars of your choice. Many of our seminars also come in books and live teaching via DVDs (see facing page) so you can be blessed right at home too!

WorldTeachers

Do you have a gift in teaching? Do you have a burden for discipleship? Helping believers go deeper in God is a great privilege and delight. At WorldTeach, we want to equip the Body of Christ with more teachers who will go forth and teach and also train more teachers, resulting in a multiplication of teachers. To become a certified WorldTeacher, you have to first attend the seminar you are interested to teach and then go through a WorldTeachers Training session. You will then be able to teach WorldTeach courses in your own church or even at other churches if the need arises. Email admin@worldteach.com.my or call **03 77278591** for more information.

WorldTeach is a non-profit organisation. We depend on donations and the small margins from product sales. As such, any financial support is greatly appreciated. **Please note that every seminar comes with a workbook

Shalom,

This little booklet you hold in your hands contains information about all of WorldTeach Malaysia's seminar courses and products. Besides being a catalogue, we have also mapped out which seminars fit into which stage of the seven stages of spiritual growth - *Conversion, Consecration, Conduct, Communion, Character, Core and Convergence* - which every believer goes through. These stages are conveniently depicted across the bottom of the pages for your easy reference.

We hope this structuring will help you when you are planning which course to attend or for pastors and leaders, which course to implement within your churches. Naturally, our materials are not an exhaustive fount for the continuous, ever-important process of lifelong discipleship and you are encouraged to slot in more materials into each stage as you deem suitable.

It is our sincere prayer and desire that our materials will aid you in a closer walk with our Lord. Every believer needs to be discipled and every Christian needs to continue to grow in maturity as they are discipled for lifechange.

So we encourage you to take a slow read through this booklet and as you read, to be responsive as God's Spirit leads. We want to disciple this world for Jesus Christ, we hope you will join us too.

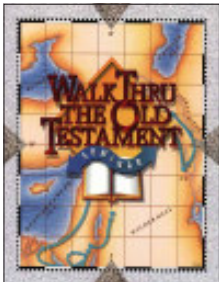

Blessings,
WorldTeach

Please note that every seminar's fee covers a workbook

Year Three

Conversion occurs when a person turns to God and puts his full trust in the death and resurrection of the Lord Jesus Christ for salvation. We must say “yes” to God and accept Christ’s work instead of our own works. Transformation happens in the heart. Conversion is not the repairing of the old building, but taking it all down and erecting a new structure. This conversion stage is the beginning point of our spiritual growth. Puritan minister Joseph Alleine said three centuries ago: “The new Christian is quite a new fabric, from the foundation to the topstone all new.” We agree. Thus, we want first to ground the believer in the whole bible by walking them through the Old and New Testaments to provide them with a framework for their spiritual growth.

How To Grow A High Impact Church

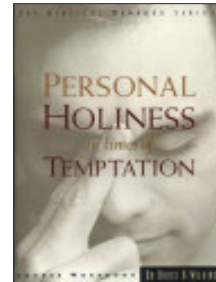

Our Latest Product!

Conducted by Chip Ingram, the current president and CEO of Walk Thru The Bible (WTTB) ministries, How To Grow A High Impact Church expounds on the 12 Laws - the laws of Purpose, Expectation, Design, Liberation, Dependency, Structure, Inspiration, Focus, Community, Internationality, Love and Kingdom - to build a healthy growing church.

Chip pastored a church which grew from 35 to 500 members in a community with only 4,000 people. That means one-eighth of the whole community attended his church! He is also the teaching pastor of WTTB's international broadcast ministry, Living On The Edge. *Seminar Price: TBC. DVDs (6 disc): TBC*

Consecration is all about your commitment. As believers who have experienced salvation, we soon realise that the Lord is requesting us to dedicate ourselves more fully to Him. The difference between involvement and commitment is like a plate of ham and eggs. The chicken is involved - but the pig is totally committed. We want to help believers move from living a self-centred life to becoming committed servants of the Lord. "Consecration is handing God a blank sheet to fill in with our name signed at the bottom," said M. H. Miller. The seminars below will help believers grow in righteousness and allegiance to God. It all starts from understanding Lordship and knowing who is master of your finance.

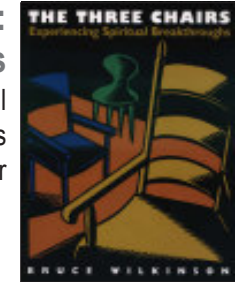

Personal Holiness In Times Of Temptation

It's not easy to remain pure in today's society. And yet nothing in our walk with God is more important - or rewarding - than personal holiness. In this 4-part course, you'll have everything you need to experience personal holiness in times of temptation - and to know the peace and joy that only come when our lives are in line with His standards. *Seminar Price: RM50.00. Also available in Mandarin edition (RM: 50.00)*

The Three Chairs: Experiencing Spiritual Breakthroughs

This module will give you understanding and joy in mastering your money. *Seminar Price: RM60:00*

Convergence

Think of your life as a tree. It grows and branches out. It takes root in the right kind of soil. And we classify it by the fruit it produces. Another name for that fruit is **conduct** - the way we act and behave. 1 Peter 1:15-17 - "But as He who called you is Holy, you also be holy in all your conduct, because it is written, 'Be Holy, for I am Holy.'" We have to learn to walk the talk by learning to put off the old self and put on the new self. We cannot achieve this alone, we need to be involved in a community of believers to help us transform. The seminar below will help you learn to work with others around you. We will start by helping each believer love

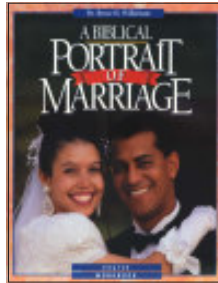

Solving the People Puzzle

Yes, people are puzzling. It would be so much easier if they were all like you - well maybe not! The fact is that they aren't, and that's why this course is so fundamental. Building on Biblical principles, Solving the People Puzzle will help you to understand how those around you are motivated, how they make decisions, and what they value most. *Seminar Price: RM50.00. Also available in Mandarin edition (RM50.00)*

A Biblical Portrait Of Marriage

How does God intend marriage to be? Learn biblical guidelines organised across six sessions titled Leave (your family), Cleave (two become one), Head, Helper, Love and Submit.. See God's logic unravel as you understand your role in your marriage. *Seminar Price: RM50.00 per person, RM90.00 per couple for each part in this 2-part series. Also available in Mandarin edition (same price)*

The Christian journey has a final destination. We call it **convergence**. All the pieces of life come together; we find our true roles in life and give everything to fulfill them. Matthew 6:33 - "But seek first the kingdom of God and His righteousness, and all these things shall be added to you". You will learn to keep the end in mind as you move through the ambitious life, searching life, purposeful life, focused life and finally the patriarchal life. "No horse gets anywhere until he is harnessed. No stream or gas ever drives anything until it is confined. No Niagara is ever turned into light and power until it is funneled. No life ever grows great until it is focused, dedicated, disciplined," said Harry Emerson. Live life with eternity in mind.

7 laws of The Learner

This highly acclaimed series shares seven fundamental Scriptural principles of teaching that will help you communicate God's truth better. Learn to discover and meet students' needs and the five-step method for equipping anyone to do anything! *Seminar Price: RM60.00. Also available in Mandarin edition (RM60.00)*

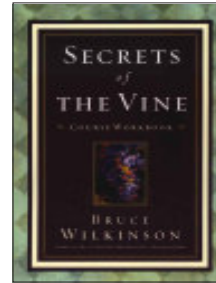

7 laws of The Teacher

With wit and style, one of Christian education foremost leaders Dr Howard Hendricks delivers an impactful series. This exciting series focuses on the individual qualities every teacher can bring to the learning environment and has helped thousands of "good" teachers become "master" teachers. *Seminar Price: RM60.00*

Communion means to have a deep and meaningful relationship with God. Jeremiah 9:24 says that not only can you understand God, you can know Him. We call this communion, and it's the very heart of the Seven stages of spiritual growth. The process of deeper communion with God is marked by a series of five milestones - From knowing Him as our savior to abiding in Him. The Secret of the Vine seminar will help believers move from "no fruit", "fruit", "more fruit" to "much fruit" by sharing the secret keys to move through these stages. We encourage the believers to be part of a small group or to have covenant relationships as they discover the secrets and grow together in this spiritual journey.

Secrets Of The Vine

From John 15, Bruce reveals three secrets of bearing fruit more abundantly. He challenges his readers to know and apply the teaching of the vine in order to experience the abundant life they long for. You'll learn three surprising secrets that will open your eyes to unrealised potential in Him. *Seminar Price: RM50.00*

Character

Core

Convergence

Character is quite different from conduct. While conduct is who you are on the outside, character comes from the inside. Character is who you are when no one is looking. Romans 12:2 says, "And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is good and acceptable and perfect will of God." We see this change in the crawling caterpillar transformed to an airborne butterfly. "Sow a thought and you reap an act, sow an act and you reap a habit, sow a habit and you reap a character, sow a character and you reap a destiny," said Samuel Smiles. This seminar will start you on a training program towards lasting life change - Spiritual maturity.

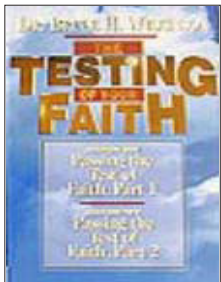

The Miracle Of Life Change

You were made to grow, to change, to experience intimacy and adventure. This seminar designed by Chip Ingram, unpacks Ephesians 4 and shares how life change can happen to you. You'll learn how to identify barriers that have held you back from receiving God's best so you can move forward in your life. *Seminar Price: RM50.00*

Effective Parenting In A Defective World

We live in a time of unprecedented challenges for parents where the world seems more defective than ever. But the truth is that God has been working in the lives of young people in defective situations for thousands of years. And He longs to do the same in your life. With penetrating truth and sincere honesty, Chip Ingram shares how to be an effective parent. *Seminar Price: RM50.00*

The Testing Of Your Faith

It's the phone call you dread the most - Someone's spouse has just filed for divorce. A child has died. A family is filing for bankruptcy. In the deepest moment of their anguish, people are desperate for answers, wondering, "Why has God allowed this?" Thankfully, God is not silent. Dr. Bruce Wilkinson will explain why God's tests are ultimately for our good and how to keep faith strong no matter what trials God allows in our lives. *Seminar Price: RM60.00*

Character Core Convergence

The **core** stage deals with the motives and underlying reasons to why we do things - Is it for our own glory or for God's glory alone? Glory is important to God. The Bible tells us He wouldn't let Gideon's army fight until He reduces the numbers so drastically that any victory would be clearly miraculous. Why? He wanted to remove any remote chance of the Israelites taking the credit. 1 Cor 10:31: "Therefore, whether you eat or drink, or whatever you do, do all to the glory of God." Take a look at Nehemiah and Jabez and how they chose to give God all the glory. As A. W. Tozer puts it, "It is not what a man does that determines whether his work is sacred or secular, it is why he does it." Like Jesus said, Lord, not my will but yours be done.

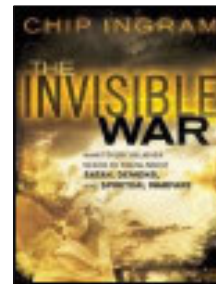

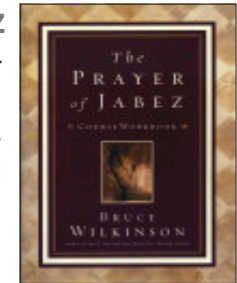

The Vision Of A Leader

Vision. It's what separates leaders from followers. It fills them with passion. It gives them purpose. And it has the power to transform lives, lifting people to heights never dreamed possible. Examine the scriptures to find the first seeds of vision. And explore its maturity and validation. *Seminar Price: RM50.00*

The Prayer Of Jabez

Are you ready to reach for the extraordinary? To ask God for the abundant blessings He longs to give you? Join Dr Bruce Wilkinson to discover how the remarkable prayer of a little-known Bible hero can release God's favor, power and protection. *Seminar Price: RM50.00*

The Invisible War

Scripture tells us that we are involved in an invisible war, a cosmic conflict with eternal implications. Attacks are launched and battles fought each day whether we realise it or not. This four-part series will help prepare you to do spiritual battle with the enemy of your soul and win! You will learn to identify Satan's attacks and tactics, how to clothe yourself with God's "spiritual armor," and why as a believer, you can be confident of victory over the enemy. *Seminar Price: RM50.00*
